4. PROPANE SAFETY INSPECTION INFORMATION

A Safety inspection accompanying the installation of the qualifying appliance(s) must include one or more of the following 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations, and/or 3) a flow and lock up test on the regulator(s). The Safety inspection must be performed prior to the submission of any rebate application. The purpose of the Safety inspection is to support the Commission Rebate Program rules and requirements that a safety inspection did occur as required under the rebate program rules and regulations. Licensed contractors **can** perform safety inspections. **DO NOT INCLUDE A COPY OF THE SAFETY INSPECTION REPORT WITH THIS APPLICATION.**

I certify that this propane appliance was purchased for installation at the above address. I am aware that proof of Energy Star and a receipt of purchase is required at the time of submission of the rebate form in order for the rebate to be accepted for review. I am further aware that no check will be issued until all program requirements have been met and the rebate has been approved. I understand, and have complied with all laws, rules and regulations governing the installation of the qualifying appliance(s) and with the manufacturer's installation instructions. The Michigan Propane Commission assumes no responsibility whatsoever for the installation, inspection or testing of the qualifying appliance or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance or the associated gas system. The Commission disclaims any liability for personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying appliance. All rebates are subject to availability. This is a limited offer and all requests will be processed on a first-come, first-serve basis. The Commission has first rights on interpretation of all terms and conditions pertaining to this offer.
